

## Innovative use of riparian spaces

Stakeholders/ Collaborators	What is the role of this stakeholder/collaborator in identifying the opportunity or need for the project/science?	What is the role of this stakeholder/collaborator in developing the solution(s)?	What is the role of this stakeholder/collaborator in the delivery/transfer of solutions?	What is the role of this stakeholder/collaborator in ensuring impact into the future?
	<i>During project</i>			<i>Post-project</i>
<i>Name:</i> AgResearch	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role Recognised research gaps and involved in 2-way discussions with industry stakeholders	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role Trial design, research and analysis	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Working with project advisory group to develop extension programme</li> <li>Preparation of final reports</li> <li>Writing journal paper for science community</li> </ul>	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role Have an evaluation programme in place as part of research proposal
<i>Name:</i> Industry-good organisation	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Dairy farmers required to fence waterways by industry</li> <li>Component of industry strategy</li> <li>Fits with Sustainable Dairying Water Accord</li> </ul>	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Co-funder</li> <li>Representative on project advisory group</li> <li>Input into trial design</li> </ul>	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Developing material into packages for farmers</li> <li>Organising on-farm field sdays</li> </ul>	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role On-going role through connection with dairy farmers and requirement to report under the Sustainable Dairying Water Accord
<i>Name:</i> Regional Council	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Need to meet requirements under National Policy Statement for Freshwater Management</li> <li>Need some practical mitigation options</li> </ul>	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>In-kind funder</li> <li>Representative on project advisory group</li> </ul>	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Speaking at field days;</li> <li>Making research results available through publications, websites and other channels</li> </ul>	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role On-going role in ensuring impact under implementation of the National Policy Statement
<i>Name:</i> Waikato dairy farmers on project team	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role Approached research team with need for better use of riparian spaces	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>In-kind support</li> <li>Representative on project advisory group</li> <li>Provision of trial sites</li> </ul>	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Involved in the development of the extension programme so that it is practical and relevant</li> <li>Speaking at field days</li> </ul>	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role Will show impact through more productive use of riparian spaces
<i>Name:</i> Fertiliser company	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role Want to be able to provide sound advice to farming clients	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role <ul style="list-style-type: none"> <li>Co-funder</li> <li>Representative on project advisory group</li> <li>Product advice</li> </ul>	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role Through field representatives and company communication channels to farmers	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role Impact through more knowledgeable fertiliser reps leading to return customers and ultimately greater market share
<i>Name:</i> Collaborating university	<input type="checkbox"/> Major role <input type="checkbox"/> Minor role	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role Sample analysis Input to trial design Peer review Access to equipment	<input type="checkbox"/> Major role <input checked="" type="checkbox"/> Minor role Contribution to journal paper	<input type="checkbox"/> Major role <input type="checkbox"/> Minor role
<b>End or Next User</b> NZ dairy farmers	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role Through industry good organisation	<input type="checkbox"/> Major role <input type="checkbox"/> Minor role	<input type="checkbox"/> Major role <input type="checkbox"/> Minor role	<input checked="" type="checkbox"/> Major role <input type="checkbox"/> Minor role Long term impact will be through farmers beyond the immediate project team changing how they manager riparian spaces to increase profitability while maintaining water quality

### Unintended Consequences

What are the risks that may reduce or stop you achieving impact? E.g. loss of key stakeholder involvement
