

Vision Mātauranga – A Māori world view

Success Principle: Right Team

Group Discussion

1. Discuss what roles are required within your project team to help ensure a Māori world view is present at key points in the project.
2. Flesh out what these role(s) need to be included. The categories in the *Impact Planning Tool* may be helpful i.e.:
 - a. What is the role of this stakeholder/collaborator in identifying the opportunity or need for the project/science?
 - b. What is the role of this stakeholder/collaborator in developing the solution(s)?
 - c. What is the role of this stakeholder/collaborator in the delivery/transfer of solutions?
 - d. What is the role of this stakeholder/collaborator in ensuring impact into the future?
3. Discuss how these skills/people could be embedded within your project and when.
